

CURRICULUM - KINDERGARTEN

Kindergarten is a time for growing academically, socially, and emotionally. Children are encouraged to do as much as they can on their own and to ask for help when it is needed. Children are to learn to play with each other in kind ways and always use gentle words with one another.

Religion is taught using “This Is Our Faith”- Silver Burdett Ginn- School Program. It covers different areas including:

- God’s Love Creates the Universe
- God’s Love Makes Me Who I Am
- God’s Love Gives Me People To Love
- God’s Love Gives Me Jesus
- God’s Love Teaches Me to Love

Social Studies is taught using a Scott Foresman text with units including:

- Who We Are
- Communities
- Work
- Our Earth
- The U.S.A.
- Family Stories

Mathematics uses a few different sources with concepts focusing on:

- Sorting/ Positioning
- Graphing/ Patterns
- Numbers through 31
- Measurement
- Time/ Money
- Geometry
- Addition/ Subtraction
- Counting and Number Patterns through 100

Science covers a wide variety of ideas including:

- The Five Senses
- Rocks
- Solar System
- Magnets
- Weather
- Nature
- Bubbles
- Water
- Motion
- Dinosaurs

Reading also uses a variety of texts in order to complete concepts including:

- Alphabet- letter identification (upper and lowercase) and their sounds
- Positioning- left/right
- Learning new vocabulary words
- Listening Skills
- Complete Sentences
- Sequencing
- Vowels
- Rhyming
- Word Families
- Story Telling
- Predicting
